

## Route Directions & Map Courtesy of SmokyMountains.org

### Townsend Bicycle Trail

- Location:** Runs parallel to Hwy. U.S. 321 in Townsend, Townsend Visitors Center on trail.
- Length:** Approximately 9 total miles.
- Level:** Great for beginners.
- Type Road:** Good paved trail, and short hills.
- Features:** Scenic beauty of area, access to restaurants, shops, motels and the Townsend Visitors Center. Connecting Bicycle Route is Little River Run

**Access:** *Parking available at both ends of bike trail located on U.S. 321 in Townsend.  
3 Pedestrian Underpasses, parking located throughout, picnic opportunities by the river.*

Before or after your biking excursion, we hope you'll join us on the Pigeon River for whitewater rafting or a leisure float trip. It's another great way to explore the Smokies!
